

February 19, 1992 LB 111, 339, 470, 764, 948, 1008, 1059, 1120
1135, 1240

that this money, this garbage is already being picked up. It is already being picked up, and the contract is being paid for. So the city council wants to say, okay, folks, we are going to now charge you, it has been suggested, \$7 a month more, \$84 a year, to pick up the same garbage that is being paid for. So my amendment merely says or suggests that the fee, tax, whatever you want to call it, cannot exceed, shall not exceed, will not exceed \$1 per month per household. I would like to ask your support for the amendment. Thank you, Madam President.

PRESIDENT MOUL: Thank you, Senator Haberman. We will now vote on the Haberman amendment to LB 1008. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 2 ayes, 27 nays, Madam President.

PRESIDENT MOUL: The amendment fails. I will raise the call. Do you have items for the record, Mr. Clerk.

CLERK: I do, Madam President. Bills read on Final Reading have been presented to the Governor. (Re: LB 764 and LB 948.)

Senator Conway selects LB 1135 as his priority bill; Senator Hartnett, LB 1240; Senator Crosby, LB 1059. Revenue Committee reports LB 1240 to General File with committee amendments attached, signed by Senator Hall as Chair. Senator Landis has amendments to be printed to LB 470; and Senator Withem amendments to LB 1120. (See pages 902-903 of the Legislative Journal.)

Madam President, Senator Lamb would like unanimous consent to bracket LB 339 on E & R for engrossment; as would Senator Dierks with respect to LB 111.

PRESIDENT MOUL: If there are no objections, it will be so ordered.

CLERK: That is all that I have at this time, Madam President.

PRESIDENT MOUL: Do you have further amendments on the desk, Mr. Clerk?

CLERK: Madam President, Senator Chambers would move to amend LB 1008. (See FA273 on page 903 of the Legislative Journal.)
